Merger discussion

everyone looks over merger document.

11-3-10

Idea proposed: Panting gifts

Stentis ~/ Tanya (October), including Leslie
and Mike Mcardle

pay layed off members equivalent of year's
docs, about \$500.

also set aside the same for the remainder
of us in the building.

nobody knew

19 docs paying members
3 layed off already
(Tanya, Leslie, Mike)
eligible as of 10-1-10

- nobody new hire
- only when layed off, not quit
- use from scholarship's fund.

Bruce thinks we need to run
it by Tom. He points out that
the merger document ~~is~~ has
already been mostly decided.

We all agree that Dave Bartman
would approve, so the \$500/per would come from
the Fund A \$25,000 scholarship. Dave would
want this.

If all of us got layed off, it would total \$11,000.
which would come out of \$25,000 Fund A.

11-3-10

Bruce & Scott will come up w/ language for \$500 gifts to add to merger agreement.

Bruce will meet tomorrow w/ Thibault.

Exec will meet next week to set date for merger vote.
